Subject: URGENT: Property located on Foothill Blvd, adjacent to 210 exit and across from Hansen Dam soccer fields

Hello, everyone. At this point, I think it is necessary to set up an onsite meeting at this property with all of the different agencies in attendance.. Encampments have been growing on this property for months and there are now dozens of people living here. This is a Very High Fire Hazard Severity Zone and needs to be addressed in this high fire season. I am including you all in this invite, but please let me know who will be the appropriate person to attend. Thank you so much for helping us to address this serious issue. We appreciate your support in ensuring this area stays safe and maintained.

Hi Liz,

Thanks for sending this over, I have alerted Caltrans to this issue. Also, big thanks on the heads up that Phil had moved on, thanks for sending the names and contacts for the new people for Army Corps.

Subject: AGAIN- HOMELESS ENCAMPMENT ON ARMY CORE ENGINEER / SCE LOT NEXT/ BEHIND MY HOME

Hi Eve-

Hope is well. we are back with the same issue homeless encampments at the same location Osborn st/ Foothill across the street from Hansen dam soccer field.

I have had the cops come out 6 xs in the last 4 months. i have reports/ pictures showing all the issues due to the homeless people trespassing on my land again, because Army core of En/ SCE are letting the land be run down by these people. Nobody is maintaining it, or even doing anything to help these homeless people get the right kind of help.

- CaL trans gates/ next to my house Broken in to
- FIRES started
- Missing trash cans, shovels, GAS tanks from my back yard
- MY SELF getting threatened in my own driveway (i have on video)
- MY CAT being poisoned
- My house alarm, someone trying to break in (i have video)

- Trash dumping 2X's
- Illegal parking under the power towers

All this has been reported to cops.

non stop issues because of the vagrants. Pictures are also attached so everyone can see whats going on.

I have emailed/ reached out to Phil Serpa @ army core of engineers but unfortunately he has moved on to a new location. We do have new contacts tho. Brian Paul and Robert Moreno.

there emails as follows: Robert.B.Paul@usace.army.mil, Robert.Moreno@usace.army.mil

The same team is needed like last year for clean up, get these people moved out.

Please help!!!!!!

Thank you,

Liz G
